

## Tuesday, February 19, 2019

<b>3:30pm - 5:00pm</b>	<b>Committee Meeting</b> – Members interested in supporting their organization by serving on an OAGITM committee will meet in the Terrace Room.
<b>4:00pm - 6:00pm</b>	<b>Vendor Check-In &amp; Exhibit Booth Setup</b> – Vendors please check-in at the Salal Room located in the lobby of the Longhouse. Don't forget to bring your Booth Bingo game prize!
<b>6:00pm - 9:00pm</b>	<b>Conference Reception</b> – <i>Sponsored by G12 Communications</i> Members, vendors, and guests meet for a casual evening of socializing and networking. Appetizers and beverages will be provided.

## Wednesday, February 20, 2019

<b>7:30am - 8:30am</b>	<b>Breakfast &amp; Conference Check-in</b> – <i>Sponsored by Gartner</i>
<b>8:30am - 8:45am</b>	<b>Kickoff</b> - The OAGITM President will welcome attendees and kickoff conference.
<b>8:45am - 9:30am</b>	<b>Gartner - Developing a Smart Communities Strategy &amp; Roadmap: Lessons from the Field</b> How can cities and counties make sense of the rapidly evolving vendor solutions in the market and plot a sensible course towards becoming a smart community? Hear lessons learned from other cities/counties and how to approach building a practical, action-oriented smart community strategy and roadmap. Demystify what it really means to be "smart".
<b>9:30am - 10:15am</b>	<b>Structured – Securing the Cloud: Weathering the Storm</b> This session will review hard lessons learned from today's cloud security landscape. It will teach eight bedrock, cloud security principles appropriate for government organizations, as well as addressing current, vendor-agnostic cloud security technologies and showing attendees how to approach and implement a cloud-first, agile security model that can scale.
<b>10:15am - 10:45am</b>	<b>Break</b> – <i>Sponsored by Varonis</i> (refreshments in Exhibit Hall)
<b>10:45am - 11:30am</b>	<b>Varonis – The Modern State of Insecurity</b> In this talk, you'll see how threats are evolving and which are the ones we need to be especially conscious of in the modern era. We'll look at real world examples of both current and emerging threats, and talks about actionable steps we need to take as an industry to stem the flow of data breaches and other malicious activity.
<b>11:30am - 12:15pm</b>	<b>Matrix Networks – 3 Ways to Prepare for your Impending Phone System Replacement:</b> Build a reliable network foundation for a modern communications platform. Choose between Cloud and On-premise delivery. Choose a Procurement path, RFP vs Purchasing Vehicle.
<b>12:15pm - 1:15pm</b>	<b>Lunch</b> – <i>Sponsored by Matrix</i>
<b>1:15pm – 2:00pm</b>	<b>Illumio – Micro-segmentation for Security Enhancement</b> The data center has evolved rapidly in recent years with virtualization, cloud, and containers enabling more dynamic and distributed applications. While app teams have benefitted, it's created new challenges for security teams. With discussion about micro-segmentation on the rise, there's little discussion about what it is and how to use it to effectively improve security. Until now.

<b>2:00pm – 2:45pm</b>	<b>Lane Council of Governments (LCOG) – A Member’s Journey</b> LCOG, along with a multi-vendor panel of project participants, will present their experience using Bigleaf and SIP for the LCOG phone system implementation.
<b>2:45pm - 3:15pm</b>	<b>Break – <i>Sponsored by Info@Risk</i></b> (refreshments in Exhibit Hall)
<b>3:15pm - 4:00pm</b>	<b>Info@Risk – Managing Information Systems Outside Your Chain of Command</b> In this presentation, Info@Risk will discuss the processes for assessing the effectiveness of controls across system boundaries, to assure adherence to specific requirements such as CJIS and PCI, and for protecting sensitive industrial control, criminal justice, and other systems. The presentation will include real world examples.
<b>4:00pm - 4:45pm</b>	<b>G12 Communications – Taking advantage of SIP Trunking, Cloud PBX, Cloud Fax, CloudText services, Under Budget...</b>
<b>6:00pm - 7:00pm</b>	<b>Reception - <i>Sponsored by World Wide Technologies/Tanium</i></b> Members and vendors mix and mingle for a casual networking and social hour prior to dinner.
<b>7:00pm - 9:00pm</b>	<b>Dinner – Vendors and Registered Guests welcome!</b>

## Thursday, February 21, 2019

<b>7:30am - 8:30am</b>	<b>Breakfast– <i>Sponsored by Verkada</i></b>
<b>8:30am - 9:15am</b>	<b>Verkada – Bridging the Gap Between Physical and Cyber Security:</b> Learn how unifying cyber and physical security teams will take thoughtful organizational engineering, an investment in cultural change, large-scale technology improvements and a focus on greater business goals.
<b>9:15am - 10:00am</b>	<b>TIG – Prioritizing Security Implementation</b> Hear Chris Nagasawa, HPE Aruba Networks Solutions Architect, PNW, discuss how to build a smarter, more secure network and optimize your network security posture with integrated device visibility, control and attack response. Learn about today’s growing network security needs, the need for visibility, control and response capabilities, and how to build smarter, more networks.
<b>10:00am - 10:30am</b>	<b>Break – <i>Sponsored by Palo Alto Networks</i></b> (refreshments in Exhibit Hall)
<b>10:30am - 11:15am</b>	<b>Palo Alto Networks – Automation’s Role in Cybersecurity Advancement/Shortening the Human Workforce Gap within the Public Sector</b> To keep up with the latest malware and threat arsenal, IT security personnel are leveraging integrated frameworks and shared intelligence. Automation must be exploited in conjunction with advanced analytics to devise detection and remediation policies. Learn about the evolution of cybersecurity, why the model is ready for disruption and what to do about it.
<b>11:15am - 12:00pm</b>	<b>Info-Tech – A Case Study</b> Learn what InfoTech did with the Oregon Youth Authority in 2018 to enhance their understanding of Agile and optimize their Agile development methods.
<b>12:00pm - 1:00pm</b>	<b>Lunch – <i>Sponsored by Info-Tech</i></b>

<b>1:00pm - 1:45pm</b>	<b>Point B - Future of Work Overview:</b> “Physical & Digital” and “Human & Machine” dimensions are converging and organizations must discover the balance in each to be successful in tomorrow’s work environment. Learn about the nine elements that must be considered in your workplace transformation across these dimensions. We will also review the outcomes that can be achieved and how to find pragmatic approaches to start your Future of Work journey.
<b>1:45pm – 2:30pm</b>	<b>World Wide Technologies/Tanium – An Unexpected Journey from Chaos to Resilience</b> What if you were required to recreate your entire Security, Operations, Compliance, and Asset Management capabilities from scratch? In March of 2018, this nightmare scenario was one State CIO’s reality in. Join us to learn how that day began and what happened next.
<b>2:30pm – 3:00pm</b>	<b>Break &amp; Raffle – <i>Sponsored by VMware</i></b> (refreshments in Exhibit Hall)
<b>3:00pm - 3:45pm</b>	<b>VMware – Securing Smart Communities</b> Learn about digital government trends driving the need for change
<b>3:45pm - 4:00pm</b>	<b>Prize Drawing in Exhibit Hall!!</b> Make sure you have turned in your completed booth game card for a chance to win a variety of great prizes from our vendors!
<b>4:00pm - 5:00pm</b>	<b>Business Meeting in Council House - <i>(All Members)</i></b> <b>State Purchasing Presentation in Longhouse Exhibit Hall - <i>(All Vendors)</i></b>
<b>6:00pm - 7:00pm</b>	<b>Members Reception - <i>(Members and Speaker Sponsor Only...)</i></b> Casual peer networking social hour prior to member dinner
<b>7:00pm - 9:00pm</b>	<b>Members Dinner - <i>(Members and Speaker Sponsor Only...)</i></b>

## Friday, February 22, 2019

<b>7:30am - 8:30am</b>	<b>Breakfast</b>
<b>8:30am - 8:45am</b>	<b>Speaker Introduction – <i>Speaker Sponsored by TIG</i></b>
<b>8:45am – 10:15am</b>	<b>Keynote – Don’t Adopt the Monkey: Leadership for you and your team...</b> Saby Waraich, PMP, CSM, an Internationally recognized speaker, trainer and coach, with 20+ years of business and information technology experience, will help us understand how to develop the ability to lead from any position in an organization. Don't rely on the school of hard knocks, discover the secrets to exceptional leadership and the mistakes to avoid on your own road to success.
<b>10:15am - 10:45am</b>	<b>Closing &amp; Conference Attendee Giveaway - <i>Gift Sponsored by Point B</i></b> Don’t forget to get one of this year’s cool gifts made possible by Point B
